

Wolfe Street Academy is operated by Baltimore Curriculum Project, a local nonprofit organization, celebrating more than a decade of service and student learning in Baltimore!

Dear Prospective Family,

Wolfe Street Academy is one of Baltimore's public charter schools. We choose our own curriculum, decide whom to hire when there is a need, and have the control to make day-to-day budget decisions in the best interests of our students. We have a talented teaching staff dedicated to serving each student.

Wolfe Street Academy is born out of the commitment of an entire community. Teachers, administrators, parents and local community members identified the potential of this school and successfully sought its conversion from a traditional public school to a charter public school.

Wolfe Street Academy serves all students within its enrollment zone that lies between Broadway (West), Patterson Park Blvd. (East), Pratt St. (North), and Eastern Ave. (South). All K-5 students living in this zone are permitted to attend.

As a conversion charter school that serves this attendance area, Wolfe Street Academy also holds a lottery each year to determine which students may attend from out-of-zone after all in-zone K-5 students are served. To participate in the lottery please complete and return this form.

Wolfe Street Academy offers a rich and growing program that supports each individual student's needs. Along with a strong academic program, Wolfe Street Academy offers science, physical education and after school programming including art and music. We are proud to serve the Upper Fells Point community and surrounding neighborhoods. Please complete the following information and schedule a tour!

Sincerely,

Mark Gaither
Principal
